Built for work that doesn't wait.

Xerox® XC2432
Colour Multifunction Printer

Xerox® C2432 Colour Printer

xerox™

Meet the Xerox® XC2432 Colour Multifunction Printer and the Xerox® C2432 Colour Printer.

Whether you're running a small business or supporting a satellite team, you still have big goals. Your days demand devices that just work – without hiccups or downtime. Which means you need a printer that powers business forward, not one that slows it down.

Meet the Xerox® XC2432 Colour Multifunction Printer and the Xerox® C2432 Colour Printer. Compact, reliable and high-quality performance to make sure teams stay connected, productive and secure wherever work happens.

INTELLIGENT DESIGN FOR A SUPERIOR USER EXPERIENCE

The Xerox® Easy Assist App lets you get up and running quickly with simple printer setup and management directly from your mobile phone. Paired with the intuitive touchscreen that makes everyday tasks and features easy to access and use.

GREATER FLEXIBILITY AND MOBILITY

Mobile and wireless print-from-anywhere capabilities enable work to happen wherever needed, with no network cabling. AirPrint, Mopria and Chromebook compatibility ensure seamless printing from virtually any device.

PUT YOUR BEST PRINTS FORWARD

Count on crisp, professional-quality and vibrant colour output that conveys your message and enhances your image with customers, partners and colleagues.

MORE PRODUCTIVITY, LESS WAITING

Expect quick first-page output and consistent performance, print after print. Scan, capture and route documents easily with print-on-demand functionality, and create searchable and editable files effortlessly[4].

COUNT ON MORE UPTIME, ALL THE TIME

These devices are built to perform consistently, reliably and quietly, day in and day out. They bring big capability with a small footprint and tiny learning curve.

SECURITY THAT WORKS AS HARD AS YOU DO

Built with multi-layer protection, Xerox® printers safeguard your devices and data with advanced encryption, secure firmware and user authentication – plus a forward-looking architecture designed to support emerging hardware-enabled post-quantum cryptography standards, keeping your confidential information secure today and ready for tomorrow.

DESIGNED WITH RECYCLED CONTENT AND EFFICIENCY IN MIND

These printers are made with more than 50% post-consumer recycled plastic content (PCR) and include energy-saving features, such as built-in power-saving modes. They are ENERGY STAR® certified and EPEAT® registered and support recycling through the Xerox Cartridge Collection Programme, where available.

Capabilities that make hard work easier.

Xerox® C2432 Colour Printer

Xerox® XC2432 Colour Multifunction Printer

1. Single-Pass Duplex Automatic Document Feeder (DADF) saves time by simultaneously scanning both sides of two-sided documents.
2. Intuitive tablet-like touch screen featuring a 4.3-inch tiltable UI.

- USB Contactless Front Reader TWN4 MultiTech-P LEGIC	497K26210
- USB Contactless Front Reader TWN MultiTech-PI	497K25970

[1] Declared print speed in accordance with ISO/IEC 24734.

[2] Xerox recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed and typical customer usage.

[3] Average yield based on approximately 5% print coverage.

[4] Available on XC2432 only.
